

Meeting Notes 10/11/18

Team: afterschoolspecials

Attendees: Haley, Bridger, Victoria, Cassie, Mohammad, Zheng

Date: Thursday October 18th, at 4:00 pm

Meeting Agenda: The team met today to hold an agile meeting and discuss the progress that has been made thus far. This week the team was able to set up the app through AWS and added the login feature. There was an issue with transferring the project to other computers to be worked on, so this problem will be fixed over the weekend and the team will meet again on monday to go over the app for the upcoming milestone.
