

### **Meeting Notes 10/22/18**

**Team:** afterschoolspecials

**Attendees:** Haley, Bridger, Victoria, Cassie, Mohammad, Zheng

**Date:** Monday October 22nd, at 4:00 pm

**Meeting Agenda:** The team met today to hold an agile meeting and discuss the progress that has been made thus far. Previously, the team was able to set up the app through AWS and added the login feature. There was an issue with transferring the project to other computers to be worked on, so this problem was fixed over the weekend. The app was transferred successfully to all the other teammates machines. The team also prepared for the upcoming interview with the TA.
