

Meeting Notes 11/15/18

Team: afterschoolspecials

Attendees: Haley, Bridger, Victoria, Cassie, Mohammad, Zheng

Date: Thursday November 15th, at 4:00 pm

Meeting Agenda: The team met today to hold an agile meeting and discuss the progress that has been made thus far. The team has made good progress and all of the backend database has been set up. There are a few minor adjustments that need to be made to the database, but the team has creating a budget, adding categories and adding expenses all working properly. The database design milestone was discussed and worked on as well. The team will continue working on the project the next week trying to get it complete.
